

SIXTH FORM AUTUMN OPEN EVENING RAISES ASPIRATIONS

On October 5th we opened our doors to hundreds of guests from across the local area for our first open event of the year. Our fantastic Student Ambassadors were on hand to support guests, who had the opportunity to discover more about our 26 courses on offer—including the new additions of Dance, Drama & Theatre, Criminology and Photography, explore the recently refreshed site and speak to a range of representatives from higher education and local industry.

The Sixth Form is now accepting applications from Year 11 students.

Students can apply directly via our website, through the Lincs2 portal, or simply by contacting members of the Sixth Form Team.

For further information, please visit our website to access our Course Guide, or contact us on:

Tel: 01472 500 505 (opt 3) or enquiries@tollbaracademy.co.uk

Students at Toll Bar Sixth Form are being provided with additional support and guidance as they aspire to secure places at the most prestigious and sought-after university destinations.

Toll Bar Sixth Form's collaboration with The Elephant Group, was officially launched on 18 October at York University.

Twenty-eight Year 12 students travelled to York to attend the launch event, at which they were introduced to the programme and participated in a series of seminars exploring insights into university life and choosing the right course. Having met with undergraduate ambassadors and university teaching staff, our students were given a comprehensive tour of the University of York campus, including its teaching facilities and accommodation.

In the next stage of the programme, our students will network with like-minded peers, explore super curricular activities and participate in a residential summer school.

#aspiration

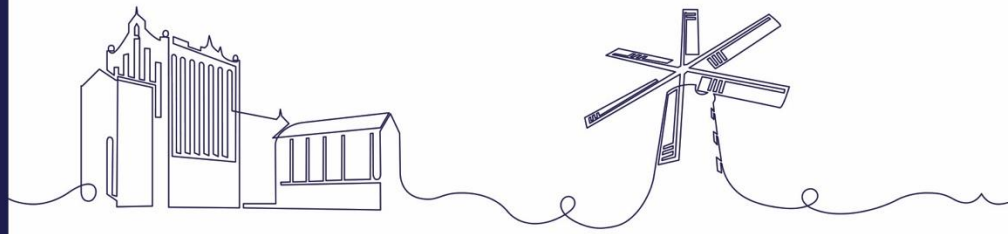

Kickstart to internships.

Our Internship Programme got off to a flying start this term, as students stepped forward to support our Academy's Key Stage 3 and 4 sports teams.

The Sixth Form's Internship Programme presents Year 12 and 13 students with opportunities for personal development by giving them responsibility in real educational scenarios. The first of these saw Year 12 boys Brandon Olley, Rory Broughton and Zach Wagstaff step forward to help manage our Year 8 football teams. Year 12 girls, Keira Lynch, Maddy Godfrey, Ruby Leak, Grace Wood and Maisie Allenby have taken on responsibility for supporting and coaching our Academy netball teams. Further applications have been submitted by students seeking placements to support our teachers through Departmental Internships. We wish them the best of luck for this academic year.

Congratulations to our 'Students of the Month'

Huge congratulations to our first ever 'Students of the Month', all of whom have impressed us by demonstrating a commitment to one or more of our core values of aspiration, responsibility and compassion.

Students were nominated by their Sixth Form teachers for achievements including: outstanding effort; exceptional class work; excellent independent study; and demonstrating our core values of aspiration,

responsibility and compassion. The 35 nominated students were all celebrated by the Sixth Form community with 'postcards of praise'.

Congratulations to all those nominated for their exceptional achievements, including those pictured below with Mr Foster.

Aspirational Alumni

Former Humberston Academy student Josh Wilkins graduated from Toll Bar Sixth Form in the Summer of 2022 with grades A* Economics, A* History, A Politics. Alongside his applications for university places, Josh was also active in pursuing opportunities for apprenticeships in the field of commercial law. Following a rigorous selection process, Josh succeeded in securing a highly prestigious apprenticeship with leading international law firm Allen and Overy.

Now thriving in his role as solicitor apprentice in Central London, Josh reflected on his time at Sixth Form, where 'the leadership opportunities presented through my role as a Lead Ambassador went a long way to helping me secure this unique solicitor apprenticeship at Allen and Overy.' We are very proud of what Josh has achieved!
