

## 'Eggcellent' atmosphere as Student Council host 'New Beginnings' Spring Celebration

It was smiles all round as our outgoing Student Council hosted their final fundraising event, aptly named 'New Beginnings'.

The Spring Event raised over £200 for the 'Young Minds Matter' charity, and included an Easter Bake Sale and treasure hunt, bringing together staff, current sixth form students, and year 11 students planning on joining Sixth Form in September.

A huge thank you to our Student Council for organising this event and for everything they have done for our Sixth Form community throughout their tenure. With the recruitment process for our next Student Council now underway, we look forward to introducing the successful applicants in the summer term!

## Year 12 Students Attend Spring Conference at Durham University

Durham University was the latest aspirational destination visited by our Year 12 Elephant Group students.

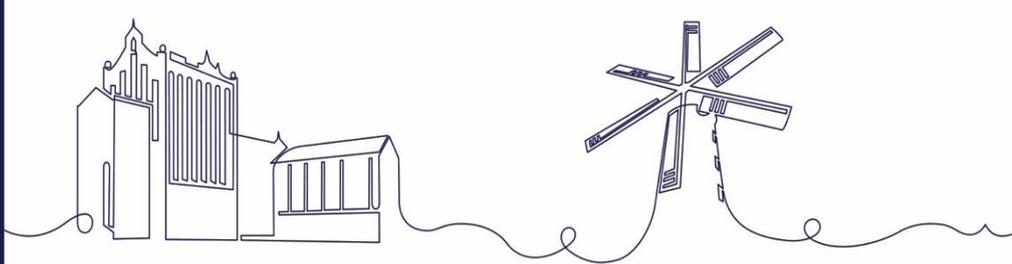

They participated in the Spring Conference event, which included bespoke sessions on revision, critical thinking, building resilience and writing impactful personal statements. They also had the opportunity to tour the historic university campus, and learn more about university life.

**#aspiration**

**Inspirational Students  
achieve Principal's Award**

This month we celebrated the outstanding commitment to volunteering demonstrated by Year 12 students Lyla Manders and Emily Harrison. Having completed 50 voluntary hours since September, both received the prestigious Principal's Award. Congratulations also to Matilda Smith, who has achieved her Silver Award for completing 25 voluntary hours.

**Amazon offers Year 13 students privileged insight into its business operations**

**Our Year 13 Business students were recently granted exclusive access to the Amazon Fulfillment Centre in Doncaster, enabling them to observe first-hand many of the concepts studied throughout their course. With final exams rapidly approaching, this provides them with an excellent case study to draw upon in their responses.**

**Aspirational Alumni!**

We were delighted to catch up with Class of 2025 leaver, Owen Carter, at our recent 'Clear Futures' Careers event. Owen studied A Level Law, Business and Economics, and is now completing a paralegal apprenticeship with local firm Wilkin-Chapman-Rollits. Owen was able to share some excellent advice on his career pathway, and spoke about having been inspired by the opportunities he had whilst at Sixth Form. We wish Owen the best of luck with the remainder of his apprenticeship!
