21 May 2020

Dear Parent/Carer

Re: Tollbar Multi Academy Trust Secondary Academies - Opening for Year 10 and Year 12

The Board of Directors met this morning to consider the re-opening of our Secondary Academies in line with recent Government announcements.

The Board evaluated detailed information presented by the Multi Academy Trust (MAT) Executive Team as well as the latest Government guidance, information from our local authorities and submissions from trade unions.

As a result, the Board has decided the following:

The MAT's Secondary Academies will open on Monday 15 June 2020 for Year 10 and Year 12 students. Obviously, there will have to be significant modifications of individual student timetables to facilitate social distancing measures.

Our Academy Principals will write to you separately with detailed arrangements.

Our sites will continue to remain open for vulnerable students, Educational Health Care Plan (EHCP) students and for the children of key workers.

The Board will continue to monitor all Government advice closely and will respond accordingly.

Yours faithfully

Mr P Bond
Chair of the Board of Directors
